

PRACTICAL LOVE

2024 Practical Love: Projects

Every year, we dedicate one month to highlight the ways God has called our faith family to practically demonstrate His love in our community and around the world. You can participate in Practical Love by giving of your time and resources. Our goal is to raise over \$100,000 and to pack 100,000 meals.

To learn more about the previous years projects, how to give and how to sign up for the meal-packing event, go to rollinghills.org/practicallove
